- Do you still have any questions or concerns about this topic?

COMPREHENSION QUESTIONS

- Can you please explain this in more detail?
- Have I understood that correctly?
- Could you please explain this in more detail?
- Would you repeat that again?
- Could you give me more context on this?
- What further details can you add?
- Did I interpret that correctly?
- Can I make sure I understood this correctly?
- Would it be possible to explain that in other words?
- Could you put that in other words?
- Am I understanding this correctly when I say...
- Are there any specific examples you could share?
- Could you give me a practical application for this?
- Did I get the main point of your statement?
- Can I be sure that I understand you correctly?
- Would you please clarify that?
- Could you help me understand this better?
- Do you agree that I summarize this briefly?
- Could you break this down into small steps?
- Did I see the essence of what you said?

CLARIFICATION QUESTIONS

- Which details are particularly important?
- Are there any examples you could give?
- Could you describe this in more detail?
- What specific details are of particular importance?
- Can you elaborate on the intricacies of this concept?
- Are there any examples you could give to illustrate this?
- Could you add more context to make this clearer?
- What specific aspects should we consider here?
- Are there any nuances that are important to fully understand this?
- Could you highlight some key features?
- What details are crucial to understanding the bigger picture?
- Could you explain the components of this system in more detail?
- Do you have any specific cases that could illustrate this?
- Are there certain points that we need to pay attention to?
- Could you explain the steps of this process?
- What specific information should we pay attention to here?
- Could you go into the details of this argument?
- What specific criteria are important in this decision?
- Are there any exceptions or edge cases we should consider?
- Could you go into the technical details?
- What specific data can you provide to support this?
- Are there any aspects that should be examined more closely?

QUERIES

- Could you repeat that, please?
- Did I hear that correctly?
- Could you please clarify this?
- Can I hear that again?
- Could you please say that again?
- Did I understand that correctly?
- Can you please repeat that so I'm sure?
- Can I make sure I heard that correctly?
- Could you please clarify this so that there are no misunderstandings?
- Did I understand what was said correctly?
- Can you recap that for me?
- Would you please say that again?
- Can I be sure that I have understood you correctly?
- Could you repeat this slowly again?
- Did I hear it correctly when I said...
- Would you please explain this to me again?
- Can you make sure I understand this correctly?
- Could you please clarify if I'm wrong?
- Did I interpret what you just said correctly?
- Could you go over the information again?
- Can I make sure I understand the content correctly?
- Could you please restate that?
- Did I hear that correctly, or is there something I missed?

SUMMARY QUESTIONS

- Could you summarize what has been discussed so far?
- What are the main points you want to emphasize?
- Can we provide an overview of what was said?
- Could you briefly summarize what we talked about?
- What key information do you want to highlight?
- Could you reiterate the key points?
- What are the key aspects you want to emphasize?
- Could we provide a brief overview of what was discussed?
- What main themes emerged in our discussion?
- Are there any key messages you would like to emphasize?
- Could you summarize the essential information?
- What are the key ideas we have covered so far?
- Could you summarize the main findings again?
- What conclusions can be drawn from what has been said?
- Could we provide a summary of the key points?
- What are the main themes covered in this report?
- Are there key concepts we shouldn't forget?
- Could you briefly summarize the central ideas?
- What are the main arguments or key information?
- Could you provide a brief summary of the discussion?
- What bottom line should we take away from this lecture?
- Could you summarize the key points of our conversation?
- What are the salient features of this presentation?

QUESTIONS ABOUT GOAL ACHIEVEMENT

- What is the main goal of this initiative?
- How does this contribute to achieving our goals?
- What steps are required to achieve this goal?
- What is the overall goal of this project?
- How will this venture contribute to achieving our goals?
- What specific steps are necessary to achieve this goal?
- What actions are required to achieve the desired results?
- How will this project contribute to our long-term goals?
- What short-term goals are required to achieve the main goal?
- What strategic advantages arise from this project?
- How does this project fit into our overall strategy or vision?
- What resources are necessary to realize this goal?
- What dependencies or obstacles could hinder progress?
- How will we measure the progress and success of this project?
- What key metrics are used to track goal achievement?
- Which people or teams are responsible for implementation?
- Which milestones are important on the way to achieving your goals?
- What time frames are planned for the individual steps?
- What support or resources are needed to achieve this goal?
- How will we ensure everyone involved is on the same page?
- What risks are associated with the implementation of this project?
- What alternative plans do we have if circumstances change?
- What adjustments are possible to keep the project on track?

EMPATHY QUESTIONS

- How do you feel in this situation?
- What do you think about that?
- How can I help you?
- How are you doing in this situation?
- What feelings do you have in this situation?
- What is going through your mind regarding this matter?
- How do you experience this experience on an emotional level?
- What feelings do you have about this topic?
- What are your thoughts on how we could solve this problem?
- How can I understand and support you better?
- What are your thoughts on this challenge?
- What do you think about the possible solutions?
- What support do you need in this situation?
- How do you feel about these changes?
- What goes through your mind when you think about this situation?
- How can I help meet your needs?
- What are your thoughts on this decision?
- What are your thoughts on how we can move forward together?
- How are you feeling about the latest developments?
- What feelings arise when you talk about this matter?
- How can I best assist you?
- What do you think about how we can overcome this challenge?
- How do you feel about the current situation?

TIME AND RESOURCE ISSUES

- How long will this take?
- What resources are required?
- Are there deadlines that need to be observed?
- How much time is expected to be needed to complete this?
- How much time is planned for this task?
- Is there a time frame that needs to be taken into account?
- What resources are needed for implementation?
- What materials or equipment are necessary?
- Are there any special skills or expertise required?
- What financial resources are needed for this project?
- Are there certain budget requirements that must be adhered to?
- Is external support or partners required?
- What type of workers are needed for implementation?
- Are there deadlines that must be strictly adhered to?
- Which milestones or milestones should be achieved?
- Are there any legal or regulatory deadlines to consider?
- How flexible is the schedule for this project?
- What are the consequences of delays or overruns?
- What measures are planned to adhere to the schedule?
- Are there interim checks or checkpoints to monitor progress?
- What impact does the time factor have on overall planning?
- Are buffer times provided to compensate for unforeseen delays?
- How is time efficiency ensured in this project?
